Description

The & ChartMaster:

The Ultimate Technical Analysis Program" is designed to provide you with in-depth knowledge and practical skills in the field of technical analysis. This program will empower you to analyze market charts, identify patterns, and make informed trading decisions based on data and market trends. Whether you are a beginner or an experienced trader, this program will take your trading skills to the next level. Positional Trading or Intraday whatever you select this program covers it all.

Why ChartMaster?

Comprehensive Technical Analysis Program:

ChartMaster offers a comprehensive curriculum that covers all aspects of technical analysis. From understanding charts and patterns to mastering advanced trading strategies, this program provides you with the knowledge and skills needed to become a successful trader. We take pride in sharing that with the biggest curriculum you are all set to learn almost everything about technical analysis.

Expert Instructors:

Our program is led by experienced instructors who are experts in the field of technical analysis. They bring real-world insights and practical expertise to the classroom, ensuring that you receive high-quality education and guidance.

Practical Learning Approach:

At ChartMaster, we believe in learning by doing. Through live trading simulations, practice sessions, and hands-on activities, you will gain practical experience and develop the confidence to apply technical analysis techniques in real trading situations.

Career and Business Opportunities:

Technical analysis is in high demand in the financial industry. By mastering the skills taught in ChartMaster, you will open doors to exciting career opportunities in trading firms, financial institutions, and brokerage houses. You can also leverage your expertise to start your own trading business and become a successful entrepreneur.

Benefit from personalized mentorship and support throughout the course to address your specific needs and questions.

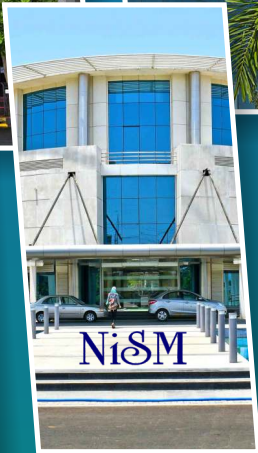

Career Opportunities

Discover exciting career opportunities in the financial industry as you gain expertise in the securities market.

About Rise Excellence Academy

Rise Excellence Academy is a leading Stock Market Training Institute recognised by the **SEBI, NCDEX, NISM** and **NSE** for conducting training.

We are the only institute in Central India who has gained recognition from Industry regulators and Industry Giants. With a strong focus on financial education, we aim to increase employability and entrepreneurship ability among students by inculcating knowledge and developing skills. Our mission is to serve the society and nation by providing affordable and purposeful skills to the youth of India through meticulously drafted educational programs.

Our Achievements

- Incorporation of Radical Institute of Stock Market Education in 2008, which later evolved into Rise Excellence Academy
- Awarded "Captains of the Industry" by Hon. Chief Minister Shivraj Singh Chouhan in 2015 for our commitment to financial literacy

- Signed a CPE Service Provider Agreement with the National Institute of Securities Market (NISM).
- Empaneled as a SMARTs Organization by SEBI for conducting Investor Awareness Programs across India.
- Empaneled for conducting Investor Awareness Programs on behalf of NSE and NCDEX.

Our Core Strengths

At Rise Excellence Academy, we operate in three verticals in the financial education domain:

A. Securities Market Certified Programs

Since 2008, we have been offering paid courses to participants, initially from our Indore Head Office. With the advent of technology, we now offer programs in hybrid mode across various cities in India, combining physical and online sessions.

B. Investor Awareness Programs

We conduct Investor Awareness Programs across India on behalf of **SEBI**, **NCDEX (National Commodities and Derivative Exchange of India)** and **NSE (National Stock Exchange)**. Our experienced trainers, venue arrangements, and logistical support ensure the

C. CPE Service Provider

Since 2016, we have been a **CPE Service Provider** with **NISM**, offering programs across India. These sessions adhere to **SEBI** and **NISM** guidelines, providing professionals in the securities market with valuable knowledge.

Program duration **50+ Hours**
+ **Live Sessions**

Classroom Sessions

@19,999/-

Office work / House work? Didn't get the TIME? Take a Recorded session and watch & Learn ANYTIME!

Our Reach

We have the privilege to address various categories of participants, including:

Corporates:

We work closely with corporates, conducting Investor Awareness Programs tailored to their needs.

Government Organizations:

Collaborating with government bodies, we conduct Investor Awareness Programs at multiple levels for participants from diverse financial backgrounds.

Education Institutes and Colleges:

We conduct workshops for faculties and students, fostering financial knowledge and career orientation.

Professionals:

Through CPE Programs, IA Workshops, and joint workshops with intermediaries, we share best industry practices with professionals.

Home Makers and Students:

Our sessions cater to individuals interested in trading and investment strategies, while students benefit from career-oriented programs.

Teachers and Army Professionals:

We have the opportunity to share knowledge with school teachers, army professionals, and other groups through initiatives by NISM, RBI, and other bodies.

SEBI Registered Intermediaries:

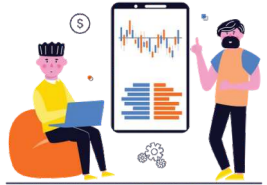

We serve as mentors, trainers, and consultants to various intermediaries.

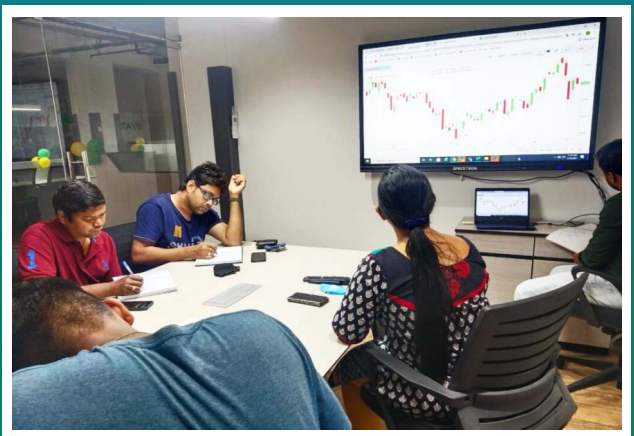

Recognition and Capacity

In 2015, we were honored as "Captains of the Industry" for financial literacy by the Hon. Chief Minister of Madhya Pradesh, Mr. Shivraj Singh Chouhan. Our dedicated team can conduct as many as 15+ sessions in a single day, ensuring a seamless learning experience for participants.

Remember, successful trading starts with a solid foundation in technical analysis. Take the first steps towards becoming a skilled trader by enrolling in ChartMaster today!

Take the first step towards financial success. Enroll in our Beginner's Bootcamp and unlock the essential knowledge and skills to navigate the securities market with confidence.

Testimonials

Technical analysis was never this easy.. I am so grateful to RISE institute to offer these elaborate courses on technical analysis. I now predict market for intraday and delivery trading. Training was done on freely available software which I use for trading. Guys..Keep up the good work!!

-Rashmi Bansal

I was a complete beginner to stock market, when I learned the implementation of various strategies in stock market, I realised that trading stock market will be easy if we can predict the direction of market well in advance, Chart Master Course does the same for you. I recommend RISE institute's ChartMaster program to everyone who is looking forward to predict market.

-Pulkit Doshi

The best course for traders is ChartMaster. Identify trends of Nifty and Stocks, trade as you wish, no dependency on any one. I am happy with the community created by RISE institute for supporting learners and experts in our daily trades.

-Ram Pratap Singh

ChartMaster is not just a program; it's a supportive community that empowers you to thrive as a trader. Take advantage of ongoing mentorship, engage with fellow traders, and unlock the full potential of your technical analysis skills. Be a part of the ever growing group.
