I was trading markets since 6 months but sometimes I booked profits while some times I booked losses, I wanted to consistently earn from markets. My friend recommended RISE Institute to me, I did the program live which was for 20 days, I really liked the live sessions and knowledge level of faculties. I really appreciate their support not just in the course but also in the community membership through app. I really thank RISE for helping me remain in profits consistently.

-Vijay Shukla

I am studying graduation, trading in securities market was like a dream for me, I did an online course with RISE, this program is very detailed course on basics of securities market. It spiked my interest more and I started identifying and sharing investment and trade opportunities within the mobile app with other students and faculties, I did not trade any of them. I am very active in the community and have started trading on the trade opportunities I identify or provided by other students or faculties. I really appreciate RISE Institute, Keep up the good work!!
