Introduction

We conduct preparatory classes for candidates to help them qualify various Certification Examination conducted by NISM. Our program is designed to provide comprehensive exam preparation solutions, including academic training, mock assessments, and enrolment of candidates with NISM, registration for exam dates, and NISM module with notes in soft copy format. Our objective is to assist candidates qualify the exam in their first attempt and provide a cost-effective and exam oriented solution.

Program Details:

This program offers 3-in-1 benefits

- Training
- Mock Assessment
- Enrolment and Registration

Training:

Exam Oriented Pedagogy as per extant NISM syllabus. Power Packed training on absolutely relevant topics as per the examination pattern.

Mock Assessment

- We provide a set of 5 papers to the participants, allowing them to select whether they want to appear as an exam or practice test paper via mobile app or online.
- In practice sessions, the correct or incorrect answers are informed to the participants immediately. Participants can reappear and shuffle the questions and their answers every time they take the test, simulating their experience before the exam.
- In examination mode, they can find out correct answers only at the end of the exam along with their score. Our scoring mechanism offers absolute score, relative score to global ranking, or ranking among the group thus building a competitive feeling among the participants.
- The final mock test is regularly updated to ensure that the question bank is as per latest NISM Exam Pattern.

Enrollment and Registration

- We guide the participants to enroll for the exam and also help them in the registration process. Notes are provided in the soft copy for all candidates preparing through online mode.
- We offer a one-point solution for all the exam-related requirements, including enrollment with NISM and registration for exam dates.

Testimonials

I wanted to start trading in share market but I was not sure how to start, this course has worked as a complete tool for trading and investments. I am now able to select stocks for intraday trading and long term investments. I recommend this program to everyone who is willing to start trading or investing. This is the best investment you can make.

-Priyanshi Jain

I was trading markets since 6 months but sometimes I booked profits while some times I booked losses, I wanted to consistently earn from markets. My friend recommended RISE Institute to me, I did the program live which was for 20 days, I really liked the live sessions and knowledge level of faculties. I really appreciate their support not just in the course but also in the community membership through app. I really thank RISE for helping me remain in profits consistently.

-Vijay Shukla

I am studying graduation, trading in securities market was like a dream for me, I did an online course with RISE, this program is very detailed course on basics of securities market. It spiked my interest more and I started identifying and sharing investment and trade opportunities within the mobile app with other students and faculties, I did not trade any of them. I am very active in the community and have started trading on the trade opportunities I identify or provided by other students or faculties. I really appreciate RISE Institute, Keep up the good work!!
